Sir:

Pursuant to 37 C.F.R. § 1.48(b), please amend the inventorship of the above-identified application from the joint inventorship of Laurence L. Kunz and Richard A. Klein to the sole inventorship of Laurence L. Kunz. This change in inventorship is necessitated by the cancellation of claims 1-25 in the Preliminary Amendment filed on June 8, 2000, claims which included embodiments of the invention of which Richard A. Klein was a co-inventor. As the invention of Richard A. Klein is no longer claimed in the above-identified application, please delete the name of Richard A. Klein as a co-inventor in the above-identified application.

Thus, correction of inventorship is appropriate under 37 C.F.R. § 1.48(b), and is respectfully requested.

This Supplemental Preliminary Amendment and Petition is accompanied by the fee of \$130.00 as required under 37 C.F.R. § 1.17(i).

Respectfully submitted,

LAWRENCE L. KUNZ ET AL.,
